

-Weekly updated lists can be found on our website at layersflowers.com/wholesale

-Plant condition is noted using the following words:

Bloom – Denotes Retail ready, full bodied, healthy plants with open flowers.

Nice – Retail ready plants that are non-flowering. (ferns, vegetables ect.)

Bud – Sale ready plants with buds but no/few open flowers.

Ready/No Bud – Established, full bodied plants that don't have buds yet.

Small – Plants that are available but may still be too small for some customers.

Few – Indicates low availability.
